THE 100

SEASON 7

After the return of Hope, Diyoza's granddaughter, this 7th and final season revisits the notorious anomaly that may have led to Octavia's possible death. Bellamy, Clarke and others' plans to return to space may be disrupted by Octavia's fate. Meanwhile, a new threat is rising in the woods and the 100 will need to gather strength to confront it.

VAGRANT QUEEN

Orphaned Princess Elida is forced to run away from her home planet after a sudden military coup. She wanders the galaxy until her friend, Isaac, finds her and reveals that her mother, Xevelyn, is still alive but in the hands of Commander Lazaro. She is then forced to return to her former kingdom and organize her rescue.

CHARMED

SEASON 1

Discover the reboot of the cult series "Charmed" exclusively on SYFY. After the death of their mother, the three sisters Mel, Maggie and Macy discover that they are the descendants of a bloodline of witches. Devils to slaughter, patriarchy to fight and family ties to maintain are on the agenda for our three witches.
