## FLAGSHIP PROGRAMS

### DC SUPER HERO GIRLS

The series follows the adventures of six young girls at the Metropolis high school: Barbara, Diana, Zee, Jessica, Karen and Kara. Their uniqueness? They all have a secret identity and have to use it to become superheroines: Batgirl, Wonder Woman, Zatanna, Green Lantern, Bumblebee and Supergirl.

### ELLIOTT FROM EARTH

Elliott from Earth is about the adventures of a young boy and his mother who are lost in the middle of the universe, surrounded by all sorts of bizarre aliens from the most improbable parts of the galaxy. While trying to understand what got them there and why, they organize their lives and make new friends, including Mo, the only other being from Earth, a dinosaur.

### TEEN TITANS GO!

When they are not squabbling, the roommates and superheroes Robin, Starfire, Raven, Changelin and Cyborg, protect Jump City from the bad guys. Inspired by the DC Comics universe, Teen Titans take us on their hilarious, colorful adventures.
